

UCD Department of Pathology Grand Rounds Schedule, 2014-2015
Fridays 12-1 PM

All sessions will take place in Hensel Phelps East Auditorium unless otherwise indicated

Date	Location	Speaker/Title
Sep 12		Xiao-Jing Wang, MD. PhD, Professor, Dir Head/Neck/Skin Cancer Research Prgm <i>Role of TGFbeta Signaling in Skin Diseases and Cancer: Paradoxes and Broken Dogmas</i>
Sep 19		David Davis, BS,HT, Histology Manager, Dept. of Pathology <i>What does it take to develop or fine tune a lab overseas?</i>
Sep 26		Mike Wilson, MD <i>Global Health: The Need to Improve and Increase Access to Diagnostic Testing and Pathology Services</i>
Oct 3		Edward Ashwood, MD, President/CEO of ARUP National Reference Laboratory, Professor, Dept. of Pathology, Univ of Utah SOM <i>FDA's Initiative to Regulate Lab-Developed Tests (LDT) will Harm Patients with Academic Pathology</i>
Oct 10		Valerie Barton, Post-Doc, Richer Lab <i>Endocrine Therapy for Triple Negative Breast Cancer</i> Ann Thor, MD, Professor & Todd Chair, Dept. of Pathology <i>"Effective Interactions with Leadership: How to Improve Your Game"</i>
Oct 17		Mary Berg, MD, Associate Professor, Dept. of Pathology, AMC <i>"Extra-Corporeal Photopheresis Therapy for T-Cell Disorders"</i>
Oct 24		Megan Dishop, MD, Associate Professor, Dept. of Pathology, Children's Hospital Colorado <i>An Update on the Genetic Causes of Lung Disease in Children</i>
Oct 31		Amy Martin, MD <i>"Maternal Fatalities/Death in the Pregnant Woman"</i>
Nov 7		M. Scott Lucia, MD, Vice Chair, Dept. of Pathology, AMC, Dir of Anatomic Path <i>"Prostatic Inflammation and Prostate Cancer: What is the Relationship"</i>
Nov 14		Ronald Lepoff, MD, Professor & Vice Chair for Clin Path, Dept. of Pathology, AMC <i>"CLIA and Laboratory Accreditation"</i>
Nov 21		David Orlicky, PhD, Associate Professor, Dept. of Pathology, AMC <i>"A Role for the Cytoplasmic Droplet Protein Plin1 in Non-Alcoholic Fatty Liver Disease"</i>
Nov 28		Thanksgiving Holiday
Dec 5		Gregary Bocsi, DO, Assistant Professor, Dept. of Pathology, AMC <i>"Assessing the Value of Diagnostic Testing: Is the Test that You're Developing Worth It"</i>
Dec 12		Amy Frey, MD, Dept. of Pathology, VA <i>"New Diagnostic Methods in the Microbiology/Molecular Departments at the ECHCS-VA: History, Test Development, and Clinical Impact"</i>
Dec 19- Jan 2		Winter Break
Jan 9		Jori Leszczynski, DVM, Director, Office of Lab Animal Resources, Assistant Professor, <i>"An Animal Program Update: OLAR, IACUC and the Upcoming AAALAC Inspection"</i>
Jan 16		Dylan Norton, MSIV, CUSOM Roman Alpatov PhD, Clinical Cytogenetics Fellow, Colo Genetics Laboratory <i>"A Chromatin-Dependent Role of the Fragile X Mental Retardation Protein FMRP in the DNA Damage Response"</i>

*See specific date for location

**teleconferenced the VA Hospital Room 3C147 and DHHA Pathology Conference Room

UCD Department of Pathology Grand Rounds Schedule, 2014-2015
Fridays 12-1 PM

Jan 23	Paraic Kenny, PhD, Associate Professor, Dept. of Developmental & Molecular Biology, Albert Einstein Cancer Center <i>"Novel Approaches to Target Amphiregulin: A Key Mediator of Estrogen Action in Breast Cancer"</i>
Jan 30	Jeff Warren, MD, Professor, Director of Clinical Pathology @Univ of Michigan SOM <i>"Early Ascertainment of Primary Immunodeficiency Disease: A Laboratory Driven Systems Approach"</i>
Feb 6	David Schwartz, MD, MPH, Professor and Chair, Dept. of Medicine, AMC <i>"Personalized Medicine"</i>
Feb 13	Zenggang Pan, Assistant Professor, Dept. of Pathology AMC <i>"IgG4-Related Lymphadenopathy: Case Study with Discussion"</i>
Feb 20	Virginia Borges, MD, MMSc, Director, Young Women's Breast Cancer Translational Program, Univ of Colorado Cancer Center <i>"Studying the Window of Opportunity in Young Women's Breast Cancer"</i>
Feb 27	Richard Cote, MD, Professor & Joseph R. Coulter Jr. Chair, Dept. of Pathology, University of Miami School of Medicine <i>"Novel Approaches for Circulating Tumor Cell Capture and Characterization"</i>
Mar 6	Melkon Dombourian, MD
Mar 13	Kimi Verilhac, MD, Chief Resident, Dept. of Pathology, AMC/Seth Lummus, DO, Chief Resident, Dept. of Pathology, AMC
Mar 20	2nd Annual Pathology Department Poster Session 2nd Floor Atrium, RC1 South, AMC
Mar 27	No Grand Rounds - USCAP conference
Apr 3	Chioniso Masamha, PhD, Postdoctoral Fellow, Dept of Biochemistry & Molecular Biology, Univ of Texas HSC
Apr 10	Kristen Zhelnin, MD, Resident IV, Dept. of Pathology, AMC/Ryan Stevens, MD, Dermatopathology Fellow, Dept. of Pathology, AMC
Apr 17	James Lambert, PhD, Assistant Research Professor, Dept. of Pathology
Apr 24	Val Mateescu, MD, Resident IV, Dept. of Pathology, AMC/Kelly Kobylanski, MD, Forensic Pathology Fellow, Dept. of Pathology, AMC
May 1	Glenn Furuta, MD, Professor, Dept. of Pediatrics/Gastroenterology
May 8	Amber Berning, MD, Resident IV, Dept. of Pathology AMC/Julie Rosser, MD, Hematopathology Fellow, Dept. of Pathology, AMC
May 15	TBD
May 22	Wendi Wohltmann, MD, Dermatopathology Fellow, Dept. of Pathology, AMC/Amanda Krausert, MD, Pediatric Pathology Fellow, Dept. of Pathology, AMC
May 29	Summer break

*See specific date for location

**teleconferenced the VA Hospital Room 3C147 and DHHA Pathology Conference Room
